KISSING IS ENGLISH

Did you ever stop to think that when a boy kisses a girl, they are doing English?

1. A kiss is like a Noun — it's common and proper.
2. A kiss is like a Conjunction — it joins together.
3. A kiss is like a preposition — it has an object.
4. A kiss is like a pronoun — he and she stand for it — .
5. A kiss is like a verb — it shows action.
6. A kiss is like an interjection — it shows feeling.

And to think some people *don't like* English.

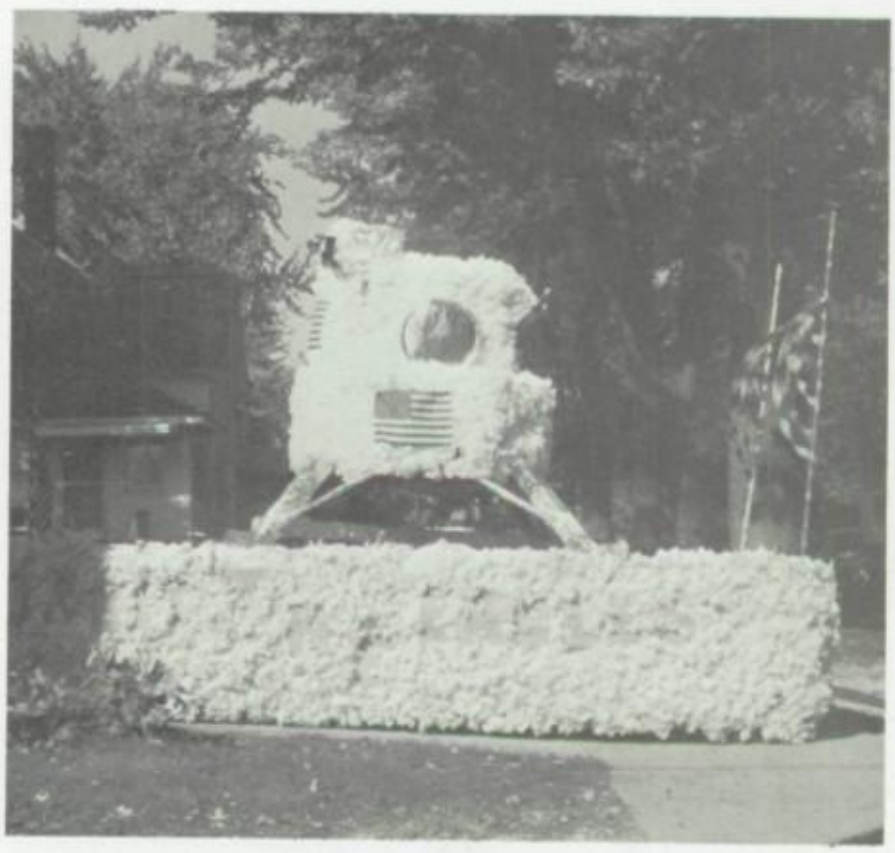
HAPPENINGS



WELCOME TO PARADISE ISLE

The Juniors created a true Paradise Isle for the Seniors of 1970. They worked hard to make the prom the best ever and their efforts paid off.

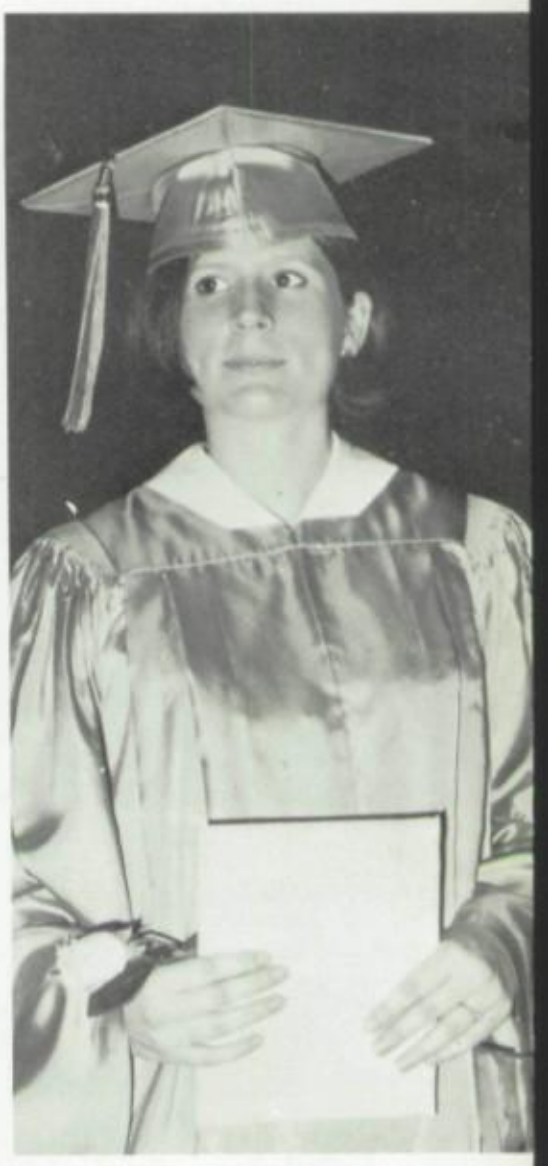
The crowning of Queen Nancy Kingery and King Joe Northcut was an added attraction to the dance.

You want *these* guys to play?

Queen Nancy and King Joe.

'70 COMMENCEMENT

Sending invitations, caps and gown measurements, parties, and the relief of getting out of school, this was Graduation. Bruce Shrock addressed 78 seniors of which the honors of Valedictorian and Salutatorian went to Mike Harper and Sherri Combs respectively.



Seniors play a quick game of musical chairs before graduation.

CLASS OF '63

. . . As "Aurora" editor his senior year he was never too busy to help a fellow staff member.

EASTERN'S BUSIEST WEEK NAMED . . .

HOMECOMING '70

Despite rain and loss Eastern's Homecoming was still successful. Our Mighty Comets put forth one of their best efforts of the year to the Oak Hill Eagles. The school's spirit was at its highest point all week. Each class worked hard to make their float the best.

On Thursday night of Homecoming week the G.A.A. held a Junior-Senior powder puff football game. After-which a bonfire was held on the High School parking lot.

Saturday night the Student Council sponsored a Semi-Formal Homecoming dance, where Mary Zook was crowned our 1970 Homecoming Queen.

SORE-WORNOUT AGED-PARENTS

Tuesday morning, October 26th, the Student Council registered 90 parents to attend classes while their son or daughter remained at home. Claudia Rennaker Chairman of S.W.A.P. (*S*witch *W*ith *A P*arent) Day, reported that the attendance was less than last year; however, the day ran much smoother. Many parents went home with sore feet and a much greater understanding of our school system.

YADIRA MORALAS — FOREIGN EXCHANGE STUDENT

In the short time our foreign exchange student has been here she has enjoyed living in America and attending Eastern. The thing which she likes most of all is the closeness which she has found in her American families and the loving friendship which has been extended to her. Her favorite foods are meatloaf, bunburgers, broiled steak, pizza, cup cakes, fried chicken and tuna casserole.

Her future plans are to study French in Montreal, Canada and after that she would like to live in California.

E-CLUB, G.A.A. SPONSORS CHRISTMAS DANCE

Christmas Fantasy was the theme for the semi-formal Christmas dance. The highlight of the evening was the crowning of Queen Janet Froelich and King Gary Hueston.

The dance was quite successful, and to make the evening complete, Santa Claus stopped by to wish everyone a Merry Christmas.

COMET LINKSTER'S . . .
A STRUGGLE FOR VICTORY

Although we had a winless season, our enthusiasm and spirit were high, and the golfers are still looking forward to their first victory.

Which I hope is in the very near future.

CINDERMEN BREAK EVEN WITH 4-4

The 1970 track season was a successful one. We had a young squad and the boys improved as the season went along. The experience gained will be a factor in the coming years.

For the third time in a row, the Cindermen captured the Class "B" Championship at the Oak Hill relays and also placed 8th in the MIC.

COMETS HAVE SPIRIT AND DETERMINATION

The Comet baseball team did have some highlights despite our 5-10 finish. Don Hill reached a peak performance with a no-hitter against Western, but came up with a shoulder injury which left our pitching staff very inexperienced.

Gary Hueston turned in an outstanding performance all summer. He was selected All-Conference 1st team with a .634 conference average and a .525 season total, and was also chosen Most Valuable Player. (Pictured at right)

Eastern placed more players on the All-Conference selections than any other conference school. Don Hill, Craig Foland, and Mark Agness were All-Conference 2nd team.

The Comets will definitely miss the spirit and experience of Stan Downing, our shortstop, and Rick McClain, our catcher. The Comet reserves posted a 5-1 season and should be ready to fill the senior vacancies.

HARRIERS CAN GO THE DISTANCE
END SEASON WITH 10 WINS; 2 LOSSES

The 1970 Cross Country Team had one of the best seasons ever. The Comet Harriers finished the season with ten wins and two losses.

Due to the fact that we had a young squad, the team will have many returning lettermen for another successful season next year.

The team showed a great deal of desire and determination and worked exceptionally well all season.

The team placed 9th in the sectional out of 22 competing schools also placed 2nd out of 4, in the county meet; 4th out of 9 in the MIC; 7th out of 11 in the Logansport Invitational; and 4th out of 9 in the Western Invitational.

5 WINS; 2 LOSSES

The reserve cross country came up with a fine showing for 1970, winning 5 meets and losing 2 and finishing 2nd in the county meet and 5th in the conference meet.

Several different boys pared the young comet squad and many of these runners will form the nucleus of our future comet teams. Probably their outstanding features were their pride and determination to the overall efforts of the team.

This years reserve squad seemed to work harder than most, because they want to be a part of the Varsity next season.

Eastern swimmers had their best season in their three year history. They ended the season with a 7-3 record. Highlights of the season included winning the Carroll Invitational and having the medley relay team place third in the sectional. Losing three seniors will have an effect on the team, but we hope to better the team record next year. Allan Harris was voted the most valuable swimmer.

The Eastern Comet basketball team started the year with 4 returning lettermen, who assumed the leadership responsibilities. The Comets had some high points of the year which are interesting considering we will have seven letter-winners back for 1971-72.

Steve Crites was our leading scorer for the year with an 18.9 average. He was also our leading rebounder with 13 per game.

Craig Foland was selected as the Best Defensive Player of the team and was also bestowed with M.V.P. award by his teammates.

Our highest part of the season came early when we captured The Howard County Tourney.

This ball club had a "never quit fighting" attitude regardless of the season record or the score of the game. As a coach, I was proud of this edition of the Comets. I thank those Seniors who made Eastern Basketball a more competitive group of young men.

. . . . . That you care for People

CARRY A SIGN

in your wallet

YOU... HAVE AN *"OPPORTUNITY TO HELP PERFORM A MIRACLE"*

INDIANA LIONS EYE BANK, INC.

Medical science has developed means by which it is possible to remove, without disfigurement, the corneas and other tissue from the donated eyes of a recently deceased person and transplant these corneas and tissue to the eyes of living individuals. In many cases, these delicate surgical procedures are capable of restoring sight or of preventing blindness.

An eye-bank is a service - a tremendous service which functions in several ways. One function is obtaining and keeping files of pledges from persons who are willing to donate their eyes at the time of death. Another is the provision of a laboratory to receive the eyes and to aid in their use for transplant and research purposes. A third and very important part of the service of an eye-bank is the establishment of an organizational structure to carry out all the necessary details in connection with the procurement and delivery of eyes.

HOW YOU HAVE "AN OPPORTUNITY TO HELP PERFORM A MIRACLE"

1. Sign a donor registration card and have the other members of your family and your friends sign a card also. Parents or guardians must sign with minor children.
2. Make a personal contribution (which is tax deductible) to this worthwhile Lions State Project.
3. Give maximal help in seeing that your community "knows" about this project and "does" something about it.

THE NEED FOR DONORS

A large number of donor pledges are required in order to assure a continuous supply of eyes to the eye-bank. All eye-banks have had need for eyes from the time of their founding. The waiting list of recipients has always exceeded the number of eyes received. Contact a Greentown Lion for more information.

Decades will pass before the supply of eyes meets the need.
Meanwhile, thousands wait in darkness.

"LIVE AS IF EVERY DAY WOULD BE YOUR LAST, AND LOVE AS IF YOU MIGHT NEVER LOVE AGAIN!"

Death is a strange visitor, who eventually calls upon all people. Seldom is he welcome and frequently is unexpected. Occasionally, he fails, even in victory. Such was the case with Andrea Smith. Andy left too much with her friends at Eastern High School. Andy left us her lust for life, her eagerness for tomorrow. Andy's effervescence still bubbles through the halls of E.H.S. Andy's sparkling blue eyes and impish smile are reflected in the faces of those who had the good fortune to know her. Andy was a teen-ager and she played the role to perfection. She developed nuances in her search for reality and identity. She was truth; she was happiness; she was excitement; She was Andy Smith.

Death failed with Andy, because her memory is life. Death claimed only the shell; we claim her life!
